NOTICE

To: **All Proper and Repeat Students – Level 3 (Academic Year 2023/2024)**

Subject: Swapping of Two Course Modules in Semester I and Semester II

The course module CMIS 3122 – Rapid Application Development has been conducted in Level 3 Semester I, and the course module CMIS 3224 – Web Design and E-Commerce has been conducted in Level 3 Semester II.

It has now been decided to Change the Semesters in which these two Course Modules are offered.

Accordingly, from the Academic Year 2023/2024 and onwards, the updated course codes for these modules will be as follows:

- **Semester I: CMIS 3124 – Web Design and E-Commerce**
- **Semester II: CMIS 3222 – Rapid Application Development**

Students are kindly informed to take note of these changes and apply for repeat examinations accordingly.
