

**Faculty of Applied Sciences
Wayamba University of Sri Lanka**

NOTICE

To : Level 4 Students in the BSc (Joint Major) Degree Program - Academic Year 2023/2024

Subject : Conversion of INDT 4216 – Industrial Training Course Module to a Non-GPA Course Module

To be aligned with current standards, with the recommendation of the Faculty Board, approval of the Senate and the Council has been received to remove the project component from the **INDT 4216 – Industrial Training** course module and to convert the module to a non-GPA course module with effect from the Academic Year 2023/2024 (current academic year).

Accordingly, INDT4216-Industrial Training course module shall remain a compulsory, six-credit course module but will not be considered in the calculation of the final GPA for the award of the Degree.

This notice is issued for your information and necessary actions.
