

COURSE MODULES OFFERED BY DEPARTMENTS OF STUDY FOR THE ACADEMIC YEAR 2024/2025*

The following convention has been used throughout to describe the significance attached to the modules offered by the Departments:

- x - Compulsory modules, i.e. the students must offer the module if this symbol appears against it for a particular degree programme and take all examination components of the module. These modules cover the essential subject material for that subject area to be considered as a major subject.
- † - If this symbol appears with the code or against a particular module, it will be conducted throughout the academic year.
- ▼ - Optional modules, i.e. the students can choose such modules at will to fulfil the annual/overall credit requirements.

5.5 ENGLISH

The Department of English Language Teaching (DELT) is committed to improve the English language competency of the undergraduates from the very inception as they pursue the degree programme in English medium. The DELT offers the following courses to achieve the above objective as the successful performance of the students depends on the high standard of literacy in English Language.

Compulsory Courses:

➤ Intensive English Course:

- A short Intensive English Course would be conducted for the new entrants before the commencement of the academic programme depending on the availability of time after the students are admitted to the Faculty.

➤ ELPC 1+10 - English Language Proficiency Course I:

- conducted throughout the academic year at Level 1.
- in addition to the continuous assessments during the course, the English Language Proficiency Test I (ELPT I) will be held at the end of Semester II at Level 1.
- a partial requirement for all degree programmes, i.e. the degree will not be awarded until the student obtains a minimum of an ordinary pass at ELPT I.

➤ ELPC 2+20 - English Language Proficiency Course II:

- conducted throughout the academic year at Level 2.
- in addition to the continuous assessments during the course, the English Language Proficiency Test II (ELPT II) will be held at the end of Semester II at Level 2.
- a partial requirement for all degree programmes, i.e. the degree will not be awarded until the student obtains a minimum of an ordinary pass at ELPT II.

Optional Courses:

➤ Certificate Course in Business English:

- a professional course conducted during Semester II of the academic year at Level 3.
- a separate certificate will be issued by the Examination Branch to the students who complete the course successfully.

➤ Advanced English Proficiency Course:

- enrollment is limited for only the best performers at ELPT I and ELPT II.
- an optional course conducted during semester I at Level 3.
- the aim is to prepare students to be confident enough in all four major skills of English Language and to perform well at any standard examination both at local and international level such as TOFEL and IELTS.
- a separate certificate will be issued by the Examination Branch to the students who complete the course successfully.
